

## Fall Update - 2018 Retreat Season Wraps Up

We've just completed our 2018 Retreat Season, and what a great one it has been! 29 Retreats in 19 States and New Zealand, serving over 350 courageous men living with cancer. We've now served over 3,300 men! Over 700 dedicated, caring volunteers actively assisted us: organizing and staffing the retreats, raising funds, recruiting participants, building our Community! Every Retreat was completely free of charge to the participants, and we thank ALL of you in our Community who have supported us this year and helped us give our participants a life-changing experience.

*"Throughout my cancer experience, including radiation, I was in denial. I never opened up until this Reel Recovery Retreat. The camaraderie, like minded men, and very professional and compassionate staff, showed me the light at the end of the tunnel. Thank you from the bottom of my heart and soul. My wife has already seen the difference in me! Be Well! Fish On!"*
